

Burniston Parish Council needs YOU

Have you got the  Factor?

- **Do you want to represent the views of local people, and have your say about issues people care about?**
- **Do you want to make a difference and be a part of shaping the future of Burniston?**
- **Are you concerned about the community getting the services it needs?**
- **Do you want to decide how local money is spent to improve your community, and on which projects?**

If you can tick most of those boxes, are over 18 and able to attend our evening meetings on the first Tuesday of the month, then you could be a Parish Councillor and we'd like to hear from you.

For further information please contact the Clerk.

Letters of application should be forwarded to the Clerk of the Council by 7am on Tuesday 4th June 2019.

J. Marley
